

Dear Friends,

Hudson Headwaters works diligently each year to ensure that patients receive appropriate screenings and tests to help maintain and improve overall health and wellbeing – especially for those with certain health conditions. Because of this hard work, Hudson Headwaters has once again received [recognition as a national and state health center leader](#) from the Health Resources and Services Administration (HRSA). As a donor and partner, you help make our award-winning care possible, *thank you*.

In this issue, we are pleased to debut special features (created especially for donors and supporters) that take a deeper dive into health care issues and topics.

We love hearing from you! Please feel free to contact me at [jrubin@hhhn.org](mailto:jrubin@hhhn.org) with suggestions on content you would like to see in the future.

In good health,

A handwritten signature in black ink, appearing to be 'JRubin', enclosed within a circular scribble.

Jessica Rubin  
Vice President, Philanthropy and Communications

Hudson Headwaters  
Health Network
