

THE INSIDER

Special Updates for Supporters and Partners

Vscan Air Ultrasound Technology

so that anybody can access us within the community.

JAMES HICKS, M.D.

Family Practice & Urgent Care, Hudson Headwaters Health Network

Innovative tools and strategies help Hudson Headwaters provide high-quality health care to our communities. Drs. Jim Hicks and Kyle Leonard were among the first medical providers to utilize GE Healthcare's pocket-sized color ultrasound, the Vscan Air.

Watch this [video](#) to learn more about how the handheld ultrasound is improving access and patient experiences and this [video](#) to see the device in action.

Glens Falls Family Health Construction

Hudson Headwaters is making progress on its 22nd health center, Glens Falls Family Health. This site will also be home to our new Program of All-Inclusive Care for the Elderly (PACE), an alternative to nursing home care for eligible community members. Read this [Post Star article](#) to learn more about what to expect when the health center and PACE open.

Your Good Health is What Drives Us

Lynne Golonka

Hudson Headwaters Mobile Health Patient - Lake Luzerne

Hudson Headwaters Mobile Health continues to be an asset to the communities it serves. Lynne Golonka of Lake Luzerne shares her story of what it's like to receive care aboard the mobile health center. Hear Lynne's story [here](#).

Provider Spotlight: Christina Kay, FNP

[Christina Kay, FNP](#) is a graduate of the University of Florida and Marymount University and worked at a children’s hospital in St. Petersburg, Florida before joining Hudson Headwaters. Christina brings a holistic approach to patient care. Outside of work, she enjoys exercising, spending time outside and watching her girls play soccer. Christina specializes in pediatrics at the Warrensburg Health Center. Make an appointment with Christina by calling 518-623-2844.

Staff Making a Difference

Five years ago, Mindy Corney, recruitment coordinator, added her name to the “Be The Match” registry, operated by the National Marrow Donor Program. In May, she donated bone marrow to a young boy with a rare and serious condition and has since shared her inspiring story with her colleagues. Learn more about the “Be The Match” program at bethematch.org.

Thank you to our Business Donors

*Please support these businesses just as they support Hudson
Headwaters*
