Special Updates for Supporters and Partners

Hudson Headwaters Provides Student Loan Debt Relief to Staff

Hudson Headwaters recently awarded more than \$1.7 million in student loan assistance to 195 staff members—including 41 employees whose debt was paid off completely. One recipient, Tara Relation, RN, a care manager at Plattsburgh Family Health, describes this student loan debt relief as “life-changing.” Learn more in this [press release](#).

Attracting the Next Generation of Providers

Suzanne Bergin, D.O., associate chief medical officer, and Jenny Leszyk, director of provider & physician recruitment and retention, lead Hudson Headwaters' new medical student "scholarship" program as part of their provider recruitment efforts. Read this [Lake George Mirror](#) article to learn more.

Health Care Recruitment

At a recent panel, Susan Corney, executive vice president of human resources, joined other health care industry leaders to discuss job growth and needs in the health care sector. Read more in this [Post Star](#) article.
