

HUDSON HEADWATERS

HEALTH FOUNDATION

Dear Friends,

We are delighted to share the digital edition of our newest *Hudson Headwaters Health* magazine and [2020 Community Report!](#)

Despite the current COVID-19 crisis, our spring/summer issue is focused on moving forward. The [launch of telehealth](#), our [new mobile health program](#) and our [expansion into the Tri-Lakes Region](#) are just a few examples of how we continue to enhance and expand access to high-quality primary care throughout our region.

The health of our patients and communities remains our highest priority. Thank you for your partnership and support.

In Health,

Jessica Rubin
Vice President, Philanthropy and Communication
