

***Share your thoughts in this survey of
the employment needs of people living with HIV
and get a \$15 e-gift card!***

We are seeking individuals to participate in a research study to understand the employment needs of people living with HIV in New York. **Participants who complete the survey online or over the phone will be eligible for a \$15 Amazon e-gift card.** Completing the survey online will take about 30-40 minutes, or about 50-60 minutes to complete by phone interview.

To be eligible for this study, you must be at least 18 years old, have legal work authorization, live in the New York State and have an HIV diagnosis. You can be unemployed or employed to be eligible. Your participation in this study is confidential and will not affect any services or benefits you are currently receiving.
