Financial Assistance

HUDSON HEADWATERS
HEALTH NETWORK

You're welcome here, regardless of your insurance status or ability to pay. We accept most major insurers, including Medicare and Medicaid. We also offer payment plans and fee reduction programs.

Sliding Fee Program

You may be eligible for discounts on the cost of your medical, dental, lab and imaging visits based on your household or family size and your income, according to annual federal guidelines. In fact, most applicants are approved for this program.

Rx Assistance Program

If you take prescription medications for an ongoing condition like diabetes, high blood pressure, asthma or others and have trouble affording your medications, let us know. We'll help find out which pharmaceutical companies may offer free or low-cost medications, based on your household income and your insurance coverage or payment amounts for prescriptions.

Apply or Ask Questions

Call 518-824-8640 or email SFPRxAssist@hhhn.org to learn how our programs might help you.

More Ways to Pay

We also offer discounts and payment plans to eligible patients—and we can help you find and use more programs from other organizations. To learn more, call us at 518-761-0300 ext. 31400 or 518-623-2094.
