

## HOMEWARD BOUND

Home-based primary care for patients with ongoing chronic illnesses which make it hard to leave home.

**Bring Health Care Home  
Talk to Your Provider Today!**

### Services Include:

- **Routine Visits** (Chronic and Current Health Conditions)
- **Acute Visits**
- **Physical Exams**
- **Assistance with Completion of Advance Care Planning** (Health Care Proxy)
- **Health Maintenance** (Vaccinations, Medication Review, Diet, Exercise, etc.)

### How is this different from other home health care agencies?

When your illness or health condition makes it too challenging for you to travel to a health center, a Hudson Headwaters provider will bring high-quality care to you at home. We are committed to caring for your overall health.

### Is this right for me or my loved one?

If you have a chronic illness or disability (at any age) that keeps you homebound, the Homeward Bound team may be able to help. *Talk to your Hudson Headwaters primary care provider to see if Homeward Bound is right for you.*

**For homebound patients living in Glens Falls, Warrensburg, Hadley, Corinth and Lake Luzerne regions • Call 518-798-1859**

**Learn more about Hudson Headwaters at [HHN.org](https://www.hhcn.org)**

Hudson Headwaters Health Network is a Federal 330 Health Center Program grantee under 42 USC 254b, and deemed Public Health Service employee under 42 USC 233 (g)-(n).
